

REASONS TO OTE

- 1.** Voting is both a privilege and a responsibility in a free nation
- 2.** Participation in government is part of our civic duty
- 3.** We help shape leadership through our vote
- 4.** We hold the government accountable
- 5.** Loving our neighbors means shaping a good society
- 6.** We support just and fair laws
- 7.** We stand against corruption and abuse of power
- 8.** We protect life, dignity, and human rights
- 9.** We support policies that strengthen families and communities
- 10.** We honor those who fought for our freedoms

Our faith calls us to action, not passivity, and not participating neglects a responsibility to do good.
